

LIFE FOR A LIFE

Guilty of Murder in the First Degree.

BOSENBERGER IS VERY NERVY

Even When the Knife He Killed Knack With Is Waved Before His Eyes.

DETROIT, Nov. 30.—The usual crowd assembled early in the morning for the trial of the Bosenberger murder trial. Mrs. Knack was accompanied by two children, one 4 and the other 2 years of age. The trio made an excellent stage setting for the conclusion of Mr. Bosenberger's melodramatic argument. The prosecuting attorney reviewed with great care the evidence produced at the corner's inquest and waved the horse lance with open blades before the eyes of the jury to illustrate the action of the crime.

During the charge Judge Chambers had remarked that if he himself should err the supreme court could remedy it, but if the jury erred it could not. At Mr. Bosenberger's request the jury were recalled and the court recalled that remark, saying, "The jury erred the error could be remedied by a new trial."

It took its toll. During the delivery of the charge Bosenberger betrayed more interest than during any other period of the trial. He sat alone for the first time, his head not being present. He glanced keenly from the judge to the jury, listening carefully to every word and watching its effect upon the twelve men who were to determine his fate. The court room was packed with people who listened in breathless silence. The jury filed out at 11:15 and Bosenberger returned to the prisoners' pen, where he sat in customary bowed attitude awaiting the verdict.

Shortly after 2 o'clock this afternoon the jury sent word that they had agreed upon a verdict. Before calling them in Judge Chambers cautioned the spectators not to make any demonstration when they heard the verdict, and threatened to fine the first man who opened his head. The jury then filed in and returned a verdict finding Bosenberger guilty of murder in the first degree. Bosenberger received the news quietly and gave no outward sign of emotion, and Prosecuting Attorney Chambers said that he understood the case would be appealed.

WESTERN ASSOCIATED PRESS.

The Annual Meeting at Detroit Brings Mr. Smith's Resignation.

DETROIT, Nov. 30.—The regular annual meeting of the Western Associated Press was held here today, with the largest attendance ever had. Great interest centered in the meeting on account of the agitation throughout the country and the tendency toward new combinations.

The membership of the Western Associated Press was divided as to the best policy to pursue, and on this account the plan for readjustment proposed by a special committee appointed to formulate one was antagonized by some of the members, who thought it wiser to adhere to the policy that was successful for many years. These were led with ability by R. W. Patterson of Chicago, D. M. Houser of St. Louis, W. J. Murphy of Minneapolis, Mr. Scripps of Detroit and M. H. DeYoung of San Francisco.

The old board of directors was re-elected as follows: Albert J. Barr, of the Pittsburgh Post; W. A. Collier, of the Memphis Appeal-Avalanche; M. H. DeYoung, of the St. Francisco Chronicle; Frederick Driscoll, of the St. Paul Pioneer Press; Charles W. Knapp, of the St. Louis Republic; Victor F. Lawson, of the Chicago News, and Eugene Purdie, of the Chicago Tribune.

In making his report the general manager announced his purpose to retire from active journalism as he felt he had earned the right to a few years of leisure. He became connected with this association in an official capacity, November 1, 1921, and has continued with it to the present time.

The board of directors organized by the election of the following officers: President, the Hon. William Penn Mixon of the Chicago Inter Ocean; vice president, Charles P. Taft of the Cincinnati Times-Star; secretary, H. E. Baker of the Boston Herald; treasurer, the Hon. George Schneider, president of the National Bank of Illinois. Executive Committee—Victor F. Lawson, Frederick Driscoll and Charles W. Knapp. General manager, William Henry Smith. The members will return to Chicago to assist in completing the work of reorganization in that city.

Will Have His Recount.

LANSING, Nov. 30.—The court granted an order to show cause in the application of Congressman Belknap for a recount in certain townships in this county, having it returnable Saturday morning, December 3. Orders were also granted in several other minor election cases, returnable December 23.

Cases heard: Thomas Keating vs. The Michigan Central Railroad Company, George Luton vs. James E. Sawyer et al., Town of Cedar vs. Joseph Shick et al., Johanna Gillette vs. Luther Beecher, The Township of Caledonia vs. Edward Rose, Elizabeth Van Aken vs. The Chicago & West Michigan Railroad Company.

Thursday's call: 139, 140, 141, 142, 143, 144, 145, 146, 147.

Tampered With the Ballots.

DETROIT, Nov. 30.—The ballots of Escrow township have been criminally tampered with. The changed ballots are all in favor of the democratic candidate for county clerk. Some one person has taken straight republican ballots and with a sharp-pointed pencil put an "X" opposite May's name and

A WONDERFUL TALE

An Almost Unparalleled Case of Suffering.

Extricated From a Pit of Abject Darkness and Despair.

Emerged Again Into the Sunlight, Saved!

The best writers during all the ages have with eloquent pens, depicted the awful mental suffering of hopelessness and darkest despair. Dante, De Quincey and others painted in never to be forgotten studies of a man whose mind utterly devoid of hope, wretched with lost courage, despondent, disheartened.

But in real life we have never heard a more heart-felt tale of suffering, mental and physical, than that told us by a most estimable lady, Mrs. J. P. Swift, who lives at No. 278 Washington street, Boston, Mass.

"Four years ago," she said, "I was in a position of complete physical and nervous prostration, had but little appetite, severe indigestion, stomach distended with gas, constant palpitation of the heart, sleeplessness, pain in back of the neck and base of the brain, and was so nervous and despondent that life was a burden."

"As a result of this condition, other weaknesses peculiar to my sex fell upon me, until I was utterly exhausted of going to the theatre the couple drove away with Blackman's team. They arrived at Hillsdale yesterday afternoon and were married in the evening."

But for Connubial Bliss.

JACKSON, Nov. 30.—Saturday Charles Blackman, who for the past year has resided on the Draper farm, five miles south of this city, invited Miss Mabel Quirk, 18 years of age, to accompany him to the theatre. They did not return and yesterday the matter was placed in the hands of the officers. Today it was learned that instead of going to the theatre the couple drove away with Blackman's team. They arrived at Hillsdale yesterday afternoon and were married in the evening.

Mysterious Death.

DETROIT, Nov. 30.—About 1 o'clock this morning a man staggered out of the house at No. 24 East Fort street and fell in the gutter. Patrolman Marshall discovered him a few minutes later and learned that it was John Simpson, an old man who roomed there. He had been sick for some time and was in a half-delirious condition. He died half an hour after reaching the Emergency hospital. Coroner Downe will investigate.

Cannot Carry Guns.

SAGINAW, Nov. 30.—The city council has refused to allow the Kosciuszko guards, a Polish commandery, to carry firearms in their parades, on the ground that it will tend to create a secret religious military organization which is in no way needed to attain the objects of the commandery as stated in the articles of association.

Makes a Few Appointments.

LANSING, Nov. 30.—Governor Winans has appointed Fred D. Hammond of Ironwood and Wilbur E. Bailey of Benoni circuit court commissioners for Gogebic and Benzie counties, respectively. The former succeeds Fremont C. Chamberlain, resigned, and the latter E. A. Whitney, deceased.

Supposed Burglars Nipped.

HUPSON, Nov. 30.—Fluke's hardware store at Clayton was entered last night and cutlery valued at \$70 was taken. At the Mackinac depot the suspicious actions of Charles Adams, Frank White and John Smith attracted the attention of Officers Peters and Richards and the three were run in on suspicion.

House Fell on Him.

RAY CITY, Nov. 30.—Clement Pudran of West Bay City sustained serious and perhaps fatal injuries while moving a house. The building fell on him, badly wrenching his spine and inflicting internal injuries. He was insensible when extricated and continues to suffer much pain.

Poor Sidewalks Come High.

LANSING, Nov. 30.—Harriet N. Brant was given a judgment against the city for \$250 for injuries received by falling on a defective walk. The suit of Sally A. Tuck for damages for injuries received in a like manner is now being tried.

Burglars at Dundee.

DUNDÉE, Nov. 30.—Burglars entered Warner's grocery store and secured some bacon, several boxes of cigars, a gold watch and numerous other valuable articles. It is supposed to be the work of local talent.

HERE'S A GO

A Sensation Created by Medical Men.

They Make an Announcement That Will Shake Up the High-Priced Members of the Fraternity—An Interview.

Quite a sensation will be created among the physicians and advertising specialists of this city when it is known that a heavy blow has been struck at their system of fees by two physicians who have lately established themselves here.

These are Drs. Copeland and Graham who have had great success with their Copeland Medical Institute, a popular institution where people receive medical treatment for chronic diseases.

Before these gentlemen located in Grand Rapids advertising specialists charged a sliding scale of fees, from \$5 for such ailments as catarrh or rupture, upward to \$50 and \$100 for other diseases. The announcement by Drs. Copeland and Graham that they would treat all diseases for \$5 a month shook up the local fraternity pretty heavily. However, as the announcement was made for one month only, they continued to allow themselves to feel good until the end of that period, as afterward there would be no such threat to the existence of their business.

At the end of the month the offer was continued until the end of December. This caused a great deal of chagrin.

Now comes the new offer to charge no more than \$5 a month for all diseases hereafter. There can be no doubt that it will cause a sensation, as its effect will be to drive all patients to the Copeland Medical Institute or compel other physicians to lower their scale of fees.

THE ANNOUNCEMENT!

To Our Friends and the Public:

Hereafter we propose to charge only \$5 a month and furnish all medicines free to every patient who comes to us for the treatment of every disease.

This is an absolute, unconditional offer. In no case will more than \$5 be received or accepted.

This fee (\$5) covers the cost of consultation, examination, treatment and medicines for each month; the patient is under treatment. W. H. COPELAND, M.D. W. F. GRAHAM, M.D. Grand Rapids, Dec. 1, 1922.

CATARRH OF THE STOMACH.

Poor Appetite With Violent Pains After Eating—A Case That is of Interest to Every One Who Suffers From Indigestion.

"I feel under lasting obligations to Dr. Copeland and Graham because, within one month, at an outlay of five dollars only, I have obtained what I had vainly spent hundreds of dollars in vain seeking elsewhere. The speaker was Mr. Goldsmith, who resides at 155 Jefferson avenue.

His statement is particularly interesting, as it not only shows a distinct form of catarrh and a phase of a disease that is exceedingly common and very painful, but discloses the difficulty experienced by others on treating the same and the expense of the individual in attempting to obtain a cure.

It is by no means a simple patent medicine, but is the marvellous discovery of a specialist eminent in the treatment of nervous and chronic diseases, Dr. Greene of No. 35 West Fourteenth New York. The doctor also gives to all the privilege of consulting him free of charge, and by the many remarkable cures it has accomplished, Dullam's Great German Blood, Liver, Stomach and Kidney Cure has proven itself unequalled for building up and cleansing your system and for all diseases arising from impure blood. Do not experiment with other catarrh or indigestion cures which you are told is as good, but be sure and get Dullam's. All druggists keep it.

Dr. Edison's FAMOUS PILLS AND BANDS AND OBESITY FRUIT SALT reduce your weight without dieting; cures the causes of obesity, such as dyspepsia, rheumatism, nervousness, catarrh, kidney troubles; keeps you healthy, and beautifies the complexion.

Very truly yours, CHARLES H. KING, Prof. Hale, Chicago University, writes to the Chicago Herald, Nov. 1, 1922: "I am writing you to say I have lost 15 pounds, making 45 pounds lost in 10 weeks by using 4 bottles of Dr. Edison's Obesity Pills and wearing his Obesity Band."

Correspondent must pay some attention to reducing their weight. When a man is troubled with rheumatism, dyspepsia, kidney trouble or catarrh, the reducing agent is slower until the Obesity Pills have cured the disease that causes obesity. The pills soften and loosen the skin of the face. I am at liberty to cite a case in point. Under my advice Mr. James H. King, of Chicago, lost 45 pounds in 10 weeks. Other patients have been equally successful.
